HEATHER

the secret's out!

Hey, it's Lindsey! Do you guys remember Heather, our July 2009 Teen Queen of the Month? The goody-goody high school cheerleader who was secretly a sex addict? Well, it's not a secret anymore!

Hey, Heather! What are you doing now that you're out of high school?

I'm working as a cock monster and sexual athlete.

Seriously?

Seriously, I'm doing tons of nude modeling and trying to break into movies.

your goodies without catching pneumonia!

Do you ever fuck in public?

Sure! One time I had sex in a bathroom stall with a bunch of people watching. It was hot!

What's your favorite way to fuck?

Doggy-style, really hard. Also, I like anal. And I love to be spanked. *Hmm*, I seem to spend a lot of time on my hands and knees!

Do you like girls?

Yes. I like to lick their pussies and assholes. They always taste sweet.

AGE: 19
HEIGHT: 5-7
WEIGHT: 129 POUNDS
MEASUREMENTS: 34B-25-36
HOMETOWN: DAYTON, OHIO

You're so gorgeous. I'm surprised you didn't go into, like, fashion modeling.

Actually, I did regular modeling years ago, but after I turned 18, I switched over. It's boring to pose fully clothed!

Are you still a "sex addict"?

I am! I can't go without sex. I think I'm an actual nympho. I know lots of girls say they're nymphos 'cause it sounds hot or whatever, but I'm pretty sure I really am one.

What do you do on the rare occasions when you *aren't* having sex?

I'm a total party girl. But I also take my work seriously, so I don't overdo the partying. I want to look bright-eyed and bushy-tailed in my photos!

You do! Do you like posing nude?

I love it. I can't believe I get paid to do it.

Do you ever get naked in public?

I LOVE getting naked in public. That's why California is so awesome, 'cause it always feels like summer. You can flash

What was your best time with a girl?

Probably with Mia Lina. I did a shoot with her for HUSTLER [September 2009 issue]. She's got the hottest body I've ever laid my hands on.

Hotter than a guy's?

Mmm—different. I prefer guys, actually. Girls are fun to play around with, but I love cock.

How can a guy get with you?

Just pay attention to me. Make me feel special.

Who's, like, your ideal guy?

A guy who will come over when I have a cold and be my naughty nurse. ;)

Have you found him yet?

No, but I'm not actually looking for a relationship. I want to be with different guys and do different things. I'm only 19!

What are your plans for the future?

I would love to run my own production company someday. And I want to be famous! ★

PANTY CONTEST WINNER

Announcing the winner of our July 2009 Panty Giveaway contest! D.G.'s letter gave us an appetite. We hope Melody's panties satisfy his sweet tooth!

MELODY

Dear Melody,

Why do I want your panties? Because I want to make you my little chocolate bunny! You are just the cutest pint-sized Melody there ever was. But with high ambitions to a bright and rewarding career. And with your beautiful smile, perky tits and brains, I know you can do it, too!

Before you become too high-maintenance for this low life of mine, please allow me to park my face between your luscious thighs, with your panties still on. I'd start to lick and suck your hot box right through the fabric. Drawing your juices out to stain the panties to have for a later feast. After thoroughly wetting the panties, I'd remove them to get totally to your chocolate cream pie. More eating to bring you to multiple orgasms, as I swallow your chocolate milk down my throat.

All this bunny eating has you wanting my big vanilla love log inside you. And swirling away we go! Chocolate and vanilla swirl as I pound your pussy thrust after thrust. More orgasms for you, and telling me to unload on those perky tits of yours. I pull out and move above in time to blast line after line of hot, creamy cum across your beautiful chocolate tits.

Once you become famous and too good for me, I will always savor a sweet pair of panties to suck on that belonged to superstar Melody, my chocolate bunny!

FIONA

Dear BARELY LEGAL,

I love the *All Bush* [special issue]. What a relief to see women with bushes! Hope you print more in the future for us guys who like women in the natural!

Bill in Ohio

We did, Bill! The second *All Bush* special is on newsstands right now. But if you can't find it, just send a check or money order for \$10 to: LFP Publishing Group, LLC, 8484 Wilshire Blvd., Ste. 900, Beverly Hills, CA 90211; Attention: Back Issues Dept. For credit card orders, call 1-800-763-8271, ext. 7651. (No international orders—sorry!) I hope you like it as much as the first one!

—Lindsey

Hi Lindsey,

I am a younger guy that actually likes hair down below on a woman. When I first saw Fiona (July 2009), I fell in love with her and her hairy bush. I am 26, and I grew up around the time that girls just started to shave. First it was the landing strip, then bare. Girls didn't keep hair down there long enough for me to enjoy it. I love some hair, even if it's just a little. I hope that in the future there is more variety and that the bush comes back. Right now we can just admire an occasional woman that decides to go all natural. Thanks for also coming out with the *All Bush* special edition of BARELY LEGAL.

J.S.
Colorado

You're going to fall in love with Fiona all over again, J.S.—'cause she's coming back for a second (furry) spread! Not sure what issue, but it will be soon.
—Lindsey

Dear BARELY LEGAL,

First off, I'd like to compliment everyone at BARELY LEGAL for making an excellent magazine! I like how there are no men in the photo-spreads along with the models and how the models themselves are of every shape, size and walk of life. I'm now a paid, loyal subscriber to your magazine, and I'm very happy to be one, so please keep up the good work!

So, I checked my mail yesterday, and I was stoked to find the new issue of BL! I was all excited opening the plastic, eager to see the cutie you put on the cover. My jaw dropped when I IMMEDIATELY recognized Jewel from the November '07 issue—which I keep in the drawer of my nightstand, among the other BL issues I collected before I subscribed.

Jewel is beautiful. Her angelic face and hair remind me so much of a girl I once dated, so looking at her gives me a feeling of familiarity and comfort. She indeed looks like she was having fun in the photo-shoot! See, that's something else nice about BL—the vast majority of the pics you choose for your spreads display the models smiling, instead of the horrible

Hi Lindsey,

I just loved your spread of Nica in your July 2009 issue. She has such beautiful nipples. I love puffy nipples. Lindsey, you ought to devote an entire issue just to puffy nipples.

**S.M.J.
Ohio**

Dear BARELY LEGAL,

About Nica—absolutely beautiful breasts. The best of the best. Puffy nipples are the most desirable. I love them. I have a notebook with clear plastic inserts in which I save all pictures of girls with puffies. Nica, you're included!

**R.H.
Maine**

S.M.J., if I could find enough girls with puffy nips, I would totally put together a special puffy issue. I wish we could get a peek at R.H.'s notebook!
—Lindsey

Hi,

Just going through my first issue of your mag [July 2009], love what I see! Great picture of Kellie Pickler [BARELY LEGAL News Flashes: "Young Celeb Fantasy"]...funny shit! I have to

“porno face” in almost every pic of other publications. Sex is fun, romantic and enjoyable, not harsh, angry and painful, as the “porno face” mags would have us believe. Anyway, I thank both BL and Jewel for giving us readers another awesome photo-spread. It made this lonely bachelor's day.

**T.H.
by Internet**

Thank you, T.H.! I personally love Jewel, so I was super excited that she posed for us again. But I have a question for all of you other guys out there: Do you like when your favorite girls come back for a second pictorial, even if they're like a year or two older? Let me know!
—Lindsey

Dear BARELY LEGAL,

Your July 2009 issue with Heather and Sara is just what I needed this month! Heather has such a great smile and personality to complement her fabulous body. I am sorry I did not know her in high school. Her healthy sexual appetite is encouraging for the male species! Girls DO like to have a good time and appreciate their assets!

**G.N.
by Internet**

I didn't think it was possible, G.N., but Heather's sexual appetite has gotten even healthier! Turn to page 4 of this issue to check out her repeat performance.
—Lindsey

say, Nica has the hottest boobs in this, my first issue. I totally get off on “puffy nipples.” What a turn-on! Great stories, cute girls, Susan Dey [BARELY LEGAL News Flashes: “Must-See DVD Double Feature”], WOW. I'm going to love this new sub...

**R.E.
California**

Thanks, R.E.! Is there anyone else you'd like to see in our “Young Celeb Fantasy” section? Your wish could be my command!
—Lindsey

Dear BARELY LEGAL,

July 2009 was my first issue. I sure do like your magazine. I also like News Flashes. Loved your Kellie Pickler [“Young Celeb Fantasy”]. Could you put in Jessica Biel for me? She was so hot on 7th Heaven.

**J.E.
Indiana**

J.E., we already made Jessica our fake-naked young celeb, back in our January 2007 issue! I'm sorry you missed it. The good news is, you can order back issues by sending a check or money order for \$12 (per issue) to: LFP Publishing Group, LLC, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211; Attention: Back Issues Dept. Now that you're getting BL, I hope you saw Jessica for real naked in our September 2009 issue!

BARELY LEGAL NEWS FLASHES

MUST-SEE DVD_s TEEN MOVIES OF THE '80s

by shawna the intern

Whenever my grampa is all, "They don't make movies like they used to," he sounds totally corny and senile, but secretly I have to agree! Look at the awesome teen movies they used to make in the '80s: *Fast Times at Ridgemont High*, *Paradise*, *The Last American Virgin*. They were practically pornos! Unlike *High School Musical 3* (snooze) and *Twilight* (bigger snooze).

Sigh. I was born way too late. Thank goodness for the magic of DVDs. And pause buttons!

MOLLY RINGWALD

YOUNG CELEB FANTASY

The number-one teen queen of the '80s was of course Molly Ringwald, who starred in the total classics *Sixteen Candles*, *The Breakfast Club* and *Pretty in Pink*. Unfortunately, Molly was *not* number one in the naked-teen-boobies department. She didn't show her titties until she was 27 (old!) in *Malicious* (1995).

Lucky for you—and us—we can turn back the clock....

Which young celebrities would *you* like to see? Let us know! Write to BARELY LEGAL Celeb Fantasy, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211.

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey, and it's time for more questions from readers!

Steve from Colorado asks, **"Have you ever had three guys fill all three holes at the same time?"**

The answer is no, that's too much even for me! I *have* been with two guys—one in my mouth and one in my coochie. It's true what other girls say—it makes you feel like a total princess to get all that attention. Plus, you get twice the jizz!

P.G. from Michigan wants to know, **"What's the naughtiest thing you've ever done, and where do you like a guy to come?"**

I actually already answered those questions, but if P.G. missed them, maybe other guys did. Okay—I like a guy to come in my booty-hole. (I know, I'm bad!) For the naughtiest thing, it's hard to say, 'cause working at BARELY LEGAL makes my whole life naughty! But before BL, definitely the naughtiest thing I ever did was have sex with my English teacher my senior year in high school. I guess I've always been into older guys!

By the way, that teacher gave me a C+, but I'm getting the last laugh, 'cause I'm the editor of the most awesome magazine in the world. What grade would *you* guys give me? ;)

PAMELA

girl on fire

AGE: 18
HEIGHT: 5-2
WEIGHT: 100 POUNDS
MEASUREMENTS: 34C-22-32
HOMETOWN: RALEIGH, N.C.

Aloha! I'm Shawna the intern. You guys, this is the most chill you will ever see high school senior Pamela. She's a maniac!

Hey, Pamela! Your hair is so pretty—above *and* below.

Thanks! I *hated* having red hair when I was little, but now I love it. It's rare, like me!

Is it true what they say about redheads?

You mean how we're extra super awesome in bed? Yes, it's all true!

Lindsay Lohan said that once for real.

Then why is she always dyeing her hair a gross blond color? LOL.

Do you have the redhead temper?

I can get very emotional. I've been known to scream and throw things! But I'm also passionate in a good way. Like, I'm *always* horny. I don't think I've ever turned down sex.

Do you have any special sex talents?

I don't know if it's *special*, but I love to suck cock. I get, like, *hungry* for it.

Do you swallow?

Of course! I told you, I'm a hungry girl! :)

Do you like when guys go down on you?

Omigod, that's the best. I love it if the guy sucks really hard on my clit. It makes me lose my mind. I have to be careful, though, 'cause once I was coming so hard, I kept slamming my cooch in his face. I almost dislocated his jaw!

Do you like to be fucked hard, too?

Yeah, I love getting rammed really hard from behind. Sometimes I *think* I want it gentle, and I'll get on top and go nice and slow, but the next thing I know, I'm riding his cock off! I guess my body just knows what it wants. -----➡

Do you like butt sex?

I like the roughness of it, it gets me super excited, but I don't like the time it takes away from my pussy!

What's the wildest thing you've ever done?

Definitely the time me and this guy had sex in a public pool, during the day, with tons of people around. I was like, Everybody's all splashing around, having fun. Let's go off to the side and fuck underwater and see if anybody notices. And nobody did!

What if you had gotten caught, crazy?

It would have been totally worth it. That's the biggest orgasm I ever had! ★

STACY HAUGHT

**haught enough
for you?**

Hey! Shawna the intern here with college freshman Stacy—who *totally* lives up to her last name!

Hey, Stacy! What do you do for fun?

Have sex!

That's it?

Well, I have five boyfriends and a girlfriend at the moment. I don't have time to do anything else!

Not even masturbate?

Nope. But I never play with myself anyway—I like the real thing.

What would you say is your best physical feature?

My boobs, 'cause everyone comments on them.

Do you ever flash 'em at people in public?

Yes, I do! It makes people happy.

Did you like posing nude?

Yes, it turned me on doing doggy-style poses.

Why, is that your favorite position?

Yeah! I like to be fucked hard and dirty, like a porn star. Actually, my *very* favorite position is being bent over something, like a kitchen table.

Bent over?

You know, like, when you're not planning to have sex, but you're both just completely taken over by horniness so you just start fucking right where you are, with your clothes still on. So hot. ----->

Have you ever been “taken over by horniness” in public?
Yeah, under the table at a restaurant. The waiter totally knew what we were doing, too!

Is that the wildest thing you’ve ever done?

No, the wildest was when I masturbated in front of five guys and let them film it.

I thought you never masturbated.

I don’t when I’m alone. It’s different when people are watching. That makes it super dirty and exciting!

What’s your ultimate sexual fantasy?

To have candlelit sex on a bed of roses.

So, you *do* like a *little* romance.

Well, we’d do it *doggy-style* on the bed of roses. ;) ★

**titty young

Hello, everybody! It's Devon the intern. High school senior Melissa is depressed about her chest. Let's all cheer her up!

Melissa, you have, like, the biggest natural boobs I've ever seen up close.

I know. They're the only reason Lindsey even asked me to pose.

Devon! [*Sighs.*] Yes, if they want to. I like to please the guy I'm with.

Don't you like it?

It feels nice. The best part is when they come. I like the way their jizz feels all hot on my chest.

What's your favorite sex position?

Well...it feels really good when I'm on top, but then guys always

That's not true! Lindsey told me she found a girl with a really cute smile and gorgeous eyes. Who happens to have ginormous jugs.

Really? 'Cause sometimes I think my boobs are the *only* thing people notice about me.

Is that why you're totally hiding them right now?

I just want the readers to get to know *all* of me.

Okay. What are your hobbies?

Running, playing volleyball. I wish I could do gymnastics, but, you know.... [*Points to chest.*]

Well, as long as we're talking about your titties, tell me, do you ever let guys fuck them?

ask me to, like, put on a show with my tits.

Do you do it?

Yeah, I squeeze 'em together and pull on my nipples. Sometimes I suck on them, too. I can get a whole nipple in my mouth without even hardly bending my neck!

You are so lucky. I'd give anything to have your boobs.

Even if your last boyfriend didn't even know what color your eyes were?

Melissa, our readers are awesome. They'll see that you're adorable all over. Your boobs are just, like, a bonus.

Okay, I guess I believe you. Here they are, guys! I hope you like...me! ★

Adorable **Dana** of Kapaa, Hawaii, is only 18, but she's already a superstar in the sack. "Everyone wants seconds," she confesses. The 5-7 sweetie loves doing it doggy-style, and her biggest turn-on is "guys getting turned on. I enjoy making dicks stand at attention." (We have a feeling she's getting turned on *right now*.) Kinky Dana says she digs girls (yay!) and has had "a few three-somes," but her most *memorable* sex ever happened while camping on the beach, 'cause it was "nice and romantic." Aww! The teen dynamo is currently studying to be a dental assistant, and in her free time she surfs, swims and goes skinny-dipping. She also masturbates "pretty often." "I keep myself happy," she admits. You keep *us* happy, too, Dana!

WHOSE DADDY?

**A BARELY LEGAL CONFESSION
BY LILI ALISON WAYNE
PHOTOGRAPHY BY DAVE NAZ**

Okay, so, what's the deal with guys? All you see on TV are tall blond girls who weigh like two pounds. I mean, I'm tall and blond, but in real life, at my school, boys don't pay much attention to me. Is it because I don't have giant boobies? I've gone out with a couple of guys, but nothing ever lasts, and it's lame.

My best friend Courtney, she says I need someone older. I agree. I'm 18 and mature emotionally. The boys at my school act like kids. But how do you meet someone when you're stuck in high school and you don't even have a fake ID?

I guess the answer is that life can be insane and do completely unexpected things.

Courtney has been my BFF since tenth grade. She transferred here to Plain High in Salt Lake City from Seattle, where she'd lived her whole life. She was *freaked*. Changing schools and cities all of a sudden sucks, especially from a cooler town like Seattle to Salt Lake, the heart of weirdo Mormon country. Courtney was new and bewildered, I was a dork—we bonded instantly. Even after she turned super hot after the summer of '08—she came back to school looking like Rachel Bilson, and all the popular girls tried to be her new BFFs—Court stood by me.

She is my best friend ever, and that's why I feel so guilty. I have a huge, terrible secret. But love makes a girl insane.

It's not like I was *planning* on being with Court's stepdad on purpose. It just happened that way. No one has ever made me feel the way I feel with Craig.

Courtney's mom married him about a year ago. I never said a word, but I thought he was hot. Yes, he's old, like 42—*yipes!* But he's tall and dark, 6-2 at least, with strong arms and white teeth. I crushed on him, but I mean, no way! My BFF's stepdad? Besides, he'd never notice a gawky girl like me.

The night when everything changed, Courtney and I were sprawled on her bed watching *Twilight* for the billionth time and arguing about what would happen if Robert Pattinson walked into the room. We eventually agreed to just trade off sucking his dick. The girl he decided did it best got to have sex with him.

Talking about blowjobs riled us up, so we cruised Courtney's laptop for BJ porn sites. There was this one blonde sucking a guy with THE BIGGEST dick. She took it all the way down her throat like it was nothing. Her talent was inspiring, but it made me depressed.

"I could never do that," I sighed. "My gag reflex is a hair trigger." A giant load of cum splattered the porn lady's face.

"You can train yourself not to gag," Courtney said. "When I dated Chet? He had a long one, and I had trouble at first. But if you relax and imagine something else, something easy—maybe a soft-serve cone? You can totally do it."

"I guess," I shrugged. "Lend me your vibrator and I'll practice." Gross maybe, but I'm not scared of Courtney's cooties.

I sucked her vibe, but it wasn't thick and long enough to really challenge me. Still, I was horny, and so was Court. We stretched out on her bed and rubbed our pussies. Sounds weird, I know, but Courtney and I are close. We're too much like sisters to go gay, so instead we talk about sex a lot, and masturbate.

Orgasms knock me out. I woke up around three that morning. Courtney was fast asleep beside me, panties bunched around her knees, her bare butt facing me. I was thirsty.

I slipped out of bed and crept into the kitchen. I was reaching for a can of Sprite when a noise startled me.

Craig stood at the stove in his boxers. I was mortified, standing there frozen in my pink wife-beater and gray boy shorts. I stared stupidly, refrigerator door open.

"I'm so sorry," I stammered. "I was thirsty—I mean, I didn't think..."

"I wasn't expecting anyone, either." Craig laughed like he didn't have a care in the world. His boxers were bulging.

"I'm so sorry," I repeated, like a total geek.

"Don't apologize." Craig moved closer. "Your body is amazing. Is that wrong of me to say?"

"I...you really think so?"

Craig stopped inches from me. Heat radiated from his body.

"If you wanted," I heard myself say, "you could touch me."

His hands landed on my shoulders, then drifted to my boobs. My nipples ached. He kneaded them with his palms. He lifted my tank top and pressed his lips to my chest. It was surreal. I was sure I'd never left Court's bed, that standing there in the

"I'm going to eat your ass," he growled.

That freaked me out for a sec. I mean, my *butt*? I'm a very clean person, but what if I was stinky? The minute his tongue hit my toot, though, my worries melted away.

I had never felt anything like it. His tongue poked my doo-hole and licked my crack while he fingered my pussy. Everything was hot and wet, like a thousand tiny fingers were massaging every crevice. I was starting to come, but was it in my ass or my coochie? I was hot and wet everywhere, my pussy dripping. I bit my lip so I wouldn't scream.

"Oh. My. God," I wheezed. My sweaty palms slid forward as I came, my face pressing into the cold floor. I bucked my hips. Craig's hands slapped my cooch, his mouth slurped my toot. I collapsed onto my belly.

“‘If you wanted,’ I heard myself say, ‘you could touch me.’”

kitchen with her stepdad's mouth on my boobs was only a dream. But it kept going.

His tongue flickered across my nips and down my belly. He sank to his knees, his nose nuzzling my pussy. My panties were damp. He pulled them to my feet with his teeth. I fell against the refrigerator door, closing it. I gripped the door handle and slung one leg over his shoulder. His tongue pressed into my pussy.

"Omigod," I panted.

My head swam with a bizarre mix of extreme pleasure and panic. *It was happening.* This was a moment I never imagined would be. Here we were in the wide-open kitchen, Craig's mouth clamped to my cooch. At any moment, Courtney could wander in, or her mom, and witness their trusted family member eating my pussy.

"On your hands and knees," Craig ordered. I dropped to the cold tiles. He crawled behind me and jabbed his fingers into my pussy.

"Look at that ass," he said, spanking my cheeks with one hand and my pussy lips with the other, his thumb bumping my clit.

Craig rolled me onto my back and straddled me. He pulled his long, thick cock, gritting his perfect teeth.

"Fuck, yeah," he groaned.

A stream of cum shot from his dick and smacked me in the face. It dripped down my cheek and neck. I rubbed it into my skin, dazed. I still wondered if it had all been a dream.

We got up slowly, quietly. I washed my face and gulped water from the kitchen sink and crept back to Courtney. Thank God she was still asleep. I reeked of her stepdad's jizz and the spicy sex scent of my own pussy.

I got up early to shower before Courtney had a chance to smell me. Plus, I needed to clear my head. How could I look Courtney in the face? I was ashamed, but my body shuddered and tingled when I thought of Craig's tongue inside me.

Craig and I started to see a lot of each other "accidentally." I would come by before Courtney got home from volleyball practice or her volunteer afternoon at Big Sisters. Meanwhile her mom would be at work or the grocery store. Craig would be

home, mysteriously, even when he should have been working.

I would kneel down and suck his dick. I would close my eyes and not gag. I didn't even have to imagine ice cream. I loved Craig's cock so much that it was like my gag reflex had been surgically removed. He'd come in my mouth and I'd swallow. He'd come in my face and rub it around with his dick till my skin was shiny.

Craig said that as long as we were only having oral sex, it wasn't really cheating. On his wife, I mean. My best friend's mom. I know!! If I start thinking about it too much, I want to die for being the most horrible person ever. But have you ever felt something so unbelievable that you couldn't stop it, no matter how wrong and terrible it might be?

body against mine. He was strong and heavy. He clamped his hands around my wrists and raised my arms above my head. He pressed my arms into the floor and kissed me hard, his tongue sliding against mine. His stubble tickled my lips and chin. I could barely move. It was hard to breathe. His hard cock poked my inner thigh. It made me insane.

"Please," I wheezed. "Fuck me."

"Wait." He kept my arms pinned over my head with one hand as his mouth traveled down my neck to my breasts. He sucked and nibbled my nipples and boobs, sucked *hard*—I'd be covered with hickeys, and I'd have to hide from Courtney.

"Fuck," I moaned. I was dying. I bucked my hips against his body, begging. He moved his head to my crotch, gripping my

As long as we weren't having sex, we agreed, it wasn't *that* bad. But sometimes all the cunnilingus and BJs in the world can't replace going all the way.

I was sleeping over one Friday night, like nothing in the world had changed. Court's mom was out of town visiting Court's grandma. Craig was in his den—his "man cave," he called it—watching college football and drinking Coors Light. Courtney and I listened to Gwen Stefani. We read *In Touch* and tried to decide whether Sacha Baron Cohen is hot or gross. I tried to act normal and not like all I could think about was how bad I wanted to be with Craig.

I didn't sleep. I waited until 1:30, when Courtney's breathing was regular and deep. I slid out of bed and into the man cave.

Craig was sitting in his lounge chair naked, which for some reason didn't strike me as strange. I dropped my nightie and stood naked except for a pair of translucent pink panties. I wasn't shy now. I wanted my body to belong to him. I knelt between his legs. I ran my tongue up and down his shaft, slowly, savoring his cock's salty taste.

"I can't take it," Craig said. He looked serious. Was he breaking up with me?

"On the floor," he said. "On your back."

I obeyed. The carpet itched my butt cheeks. He pressed his

shoulders so his arms pinned my torso. He licked my thighs, my belly, the seams of my underwear, everything but my pussy. I wanted to scream. I kicked my legs in the air, wrapped them around his neck.

"Come on!" I wailed.

Finally, he ripped off my panties. He slid his tongue over my sopping vadge, just one good, long lick and then, as suddenly as he had slurped my cooch, his boner sank into me.

"Fuck!" I squeaked. He clamped his hand over my mouth. He held his hand there and fucked me. I squealed, girl goo dripping down my thighs, my pussy squeezing his dick.

"Ungh-ungh-ungh," I moaned, legs flailing. He pounded me.

"Now," he roared. "Now, now, NOW!"

He yanked out his cock and sprayed me. I'd never seen so much jizz. My belly, my boobs, my face—everything was glazed. He fell on top of me. I could hardly breathe. I wanted to stay right there under him and sleep. Suffocate, even. But instead I crawled away and back into bed with Courtney, reeking of sex, feeling ecstatic and ashamed.

How long can a girl go on doing something so wrong before it blows up in her face? And how can something be wrong, when it feels so amazing?

I'm bad, I know. But I don't want to stop. ★

I'm just...I'm not the most confident girl in the world. I wasn't even sure if I'd get in the magazine at all." Wait until Kimberly sees the cover!

Describe yourself, please: I'm shy and girly, but also very passionate and erotic. Someone gave me a Hello Kitty vibrator as a joke, but I really use it! I love to sing, and I'm currently learning how to play guitar.

Romantic status: There's a couple guys I hang with, but basically I'm single.

Fave hobbies: Dancing. Photography. I take lots of pics of Angelo. He's my furry little baby!

Fave music: Lily Allen and Katy Perry.

Pet peeve: People who discriminate.

Best body part: Not to sound conceited, but I like my whole body. I used to be all, Why can't I be tall, with blond hair and big boobs? But you don't have to look that way to be a successful model. You can look my way.

Dream guy: A guy who'll tuck me in at night and fuck me in the morning.

Deepest, darkest secret: I'm addicted to shoes. I'm not kidding! I have like 287 pairs.

Fave sex position: Missionary. That's the most intimate, to me.

To bi or not to bi: I would rather just be friends with girls.

Anal sex, yay or nay: I don't know, I've never done that!

Fave fantasy: Sex on a beach under the stars. With two guys!

Number-one idol: Sasha Grey. She's strong and smart, and she always does what she wants and doesn't take no for an answer. I can't believe I'm going to be in the same issue as her!

Future goals: I love modeling, but I also like to be behind the camera, so hopefully I can combine those two things someday. I just want to concentrate on my career and break all the rules and boundaries. Like Sasha! ★

OCTOBER 2009

Hi, it's Devon the intern again! Kaci Starr is almost too adorable to be in pornos—but dimples can be deceiving.

Hey, Kaci! What do you do when you're not making movies?

I love to go dirt biking, snowboarding, skiing. I grew up totally spoiled skiing in Aspen.

Do you like posing nude?

I *love* posing nude. It's given me the confidence I never had. It's sexier to see the body naked than all covered up.

What do you think is the best part of your body?

My boobs, 'cause they're perfect. I can never stop playing with them.

I notice you don't shave your pussy bald like other porn stars.

I like looking natural. I'm just, like, a regular girl who happens to have sex on camera. :)

Do you wear panties?

Sometimes. Never a bra!

Do you enjoy exposing yourself in public?

I've always been kind of modest about that.

What are your main turn-ons?

When someone likes to please me, sexuality, nice smile.

What are your main turn-offs?

Fakeness, cockiness, when someone isn't into me.

How often do you masturbate?

Every day! I use a vibrator on my clit. I only like the real thing inside my pussy.

How do you like to be fucked?

Every which way.

What's the best way for you to come?

Fuck me slow or rub my clit while rubbing my G spot at the same time.

What's your favorite sex position?

Spoon/cowgirl.

Do you like to give BJs?

Yes, it turns me on to give pleasure.

Do you spit or swallow?

I swallow! Why waste it? ;)

Have you ever done anal?

I love anal!!! I squirted for the first time during anal.

Where do you like a guy to come?

In my ass, then keep fucking me. It feels oh so good.

Are you bi?

Yes. I'd love to do a scene with Tori Black!

Have you ever had sex in public?

Only on the beach in Costa Rica.

What kind of guys do you like?

Strong, confident, humorous, sexy, kind, adventurous.

What kind of girls do you like?

Ones who are confident, real, sexy.

Have you ever fucked a stranger?

Yeah, I've had about four one-night stands with strangers. One time I drove all the way to San Diego (three hours) just to fuck a guy I had been chatting with.

What's the wildest thing you've ever done?

I had two one-night stands while on a week's vacation in Costa Rica.

What's the best way for a guy to pick you up?

Just be real. Talk to me. I'll know in the first few minutes if I want to go home with you.

What's your dream date?

A picnic on a deserted beach.

What's your ultimate sex fantasy?

I'm working on that still. My sexual tastes are still growing. ★

THEO & NATASHA

taking the plunge

Hey, kids! It's Shawna the intern. I'm sure you all remember Theo (she's the blonde) from our June 2009 issue. Well, do you notice something different about her? I sure did!

Hey, Theo. Okay, last time you were here, you were all, and I quote, "I like the pole, not the hole."

Theo: I know, I know. Natasha turned me!

How did you two meet?

Theo: I was in a store looking at a vibrator, thinking about buying it, and all of a sudden I hear this voice going, "Do you even know what to do with that?"

Natasha: When I'm attracted to someone, I make fun of them. I'm kind of like a guy that way!

Theo: So anyway, I took that as a challenge, so I went home with her, and—she definitely showed me what to do with it!

Natasha: I licked her clit while I fucked her with the vibe.

Theo: It was so awesome. I had the hugest orgasm ever.

That's all it took to turn you lez?

Theo: I'm not a lez. I'm *bi*.

How about you, Natasha?

Natasha: I'm bi. I love cock. But I love love LOVE licking Theo's pussy. It's slippery and salty, like an oyster.

Theo: Are you saying I taste like fish?!

Natasha: No, you taste like sex. And your butthole tastes even better. Like camping in the woods—fresh and dirty at the same time.

Natasha, that's like poetry!

Theo: Nat totally romances me with her tongue.

Do you use *your* tongue, Theo?

Theo: Of course! I'm not selfish! Eating pussy is kind of weird, but I'm getting used to it.

Natasha: I make her practice a lot.

Will you ever go back to guys?

Natasha: We never *left* guys.

Theo: Never! Bi is the best way to be. You double your chances of getting some ass! ★

Hey! It's Lindsey. You guys, we are so proud of Sasha Grey. We knew she would be a big star back when she first posed for BARELY LEGAL back in her teens (December 2006 and March 2008), but we didn't know *how* big. Not only has Sasha made a ton of pornos and won a bazillion major awards, now, at age 21, she's starring in a fancy-pants *nonporn* movie called *The Girlfriend Experience*, by Oscar-winning (and secretly pervy?) director Steven Soderbergh. Just watch—someday Sasha's going to have a shiny gold statuette rubbing up against her AVN trophy for Best Oral Sex Scene!

HUSTLER Video. Directed by Matti Klatt; starring Franziska Facella, Nikki Jayne, Marie McCray, Bailey Brooks, Carmella Santiago, Capri Cavalli, Talon, John West and Chris Johnson.

I have been studying my *brains* out since I started college a month ago. I should have watched *Real College Girls #19* first—these girls know how to make studying fun! Tight-bodied Bailey Brooks crams while wearing an actual bikini, making it super easy for John West to slip into her coochie during breaks. He bangs her teeny booty-hole, too. Talk about cracking the books! LOL! I never knew that my fave redhead, Marie McCray, was a music major. I was blown away by her sloppy skin-flute playing. I wish I could give her an F! Botany student Capri Cavalli is out studying plant life in the woods when Chris Johnson shows up with *his* wood. Capri has titties not seen in nature, but they still bounce pretty good when she rides Chris backward-cowgirl-style. Next thing you know, he's pollinating her right down her throat! Hottie blond sorority sisters Nikki Jayne and Franziska Facella are so bored of studying, they decide to lez out together in the dorm laundry room. Nikki fucks Franziska with a dildo she keeps in her school bag (how convenient!), then makes Franziska clean off her own pussy juices with her mouth. Hola! Devon the intern here with nursing student Kira, who's half Mexican, half Irish and all perverted!

Hey, Kira! Since you're a nurse, will you kiss my boo-boos?

Your boo-boos will have to wait a few years—I'm still *studying* to be a nurse. But I can kiss your pussy right now!

Oh, you like girls?

I like girls, guys, vibrators. I like anything that gets me off.

What turns you on the most?

If someone speaks Spanish to me in bed. I think it's the sexiest, most romantic language.

Do you speak it yourself?

English is my first language, but when I come, I scream in Spanish. I don't know why, it just comes out that way!

Kira, I hope you don't get embarrassed when you see your picture on page 100. The photographer totally caught you sniffing your own panties!

I don't care—I'm *always* sniffing my panties.

What?!

Yeah, I love to smell my undies. When I sniff them I think, This is what guys smell. It turns me on!

So, how do you smell?

For some reason I always smell like I just had sex. :)

What other pervy things do you do?

I love to suck a guy's cock after he makes me come so I can slurp up my pussy juices. I taste spicy! ----->

A young woman with long, wavy blonde hair is smiling at the camera. She is posing in a white towel that is draped over her waist, revealing patterned underwear with a colorful floral and bird design. is if someone licks my *butthole*.

Even more than someone licking your pussy?

That's amazing, too, of course, but you know how some-
times it can take a while when someone's eating you
out? Like, it kind of builds? With my *butthole* it's,
like, instant. As soon as a tongue touches my
b-hole, I'm flying.

And then what happens?

And then they fuck me in the ass and
I'm screaming, "*Ai, papi! Mi culo
está rompiendo!*"

I have got to learn Spanish. ★

licks my butthole.”**
